ABOUT CSU-GLOBAL

Colorado State University-Global Campus (CSU-Global) was created by the Colorado State University System Board of Governors in 2007 as the first independent 100% online state university in the United States. CSU-Global is focused on facilitating adult success in a global marketplace through career-relevant education including bachelor’s degree completion and master’s degree programs. Embracing the land grant heritage as part of the CSU System, CSU-Global sets the standard for quality and innovation in higher education through its expert faculty trained in working with adults in an online learning environment, and through its dedication to student retention, graduation, and workplace success.

MISSION

We are committed to advancing student success in a global society, investing in human capital, expanding the state economy, and enhancing the quality of life for citizens in the state of Colorado and beyond by providing access to dynamic degree programs characterized by academic excellence, innovative delivery technologies, and strong stakeholder engagement.

VISION

We will be the premier provider of innovative higher learning opportunities for nontraditional students in Colorado and beyond.

VALUES

Mission Focused: We drive student success in a global society through education, services, and support.

Innovative-thinking: We identify solutions to facilitate student and CSU-Global success through nontraditional industry methods and progressive solutions that are effective, efficient, and innovative.

Accountability: We are responsible for our own actions, for those of our department, and for our university as we strive to exceed expectations.

Collaboration: We don’t just talk about teamwork; we exhibit it in the way that we interact, consult each other, resolve issues, and respect each other’s contributions.

Learning & Growth: We are a learning organization that is always evolving and is committed to continual improvement.

Professionalism: We treat all others as we wish to be treated and as we wish to be defined by others.

**Gain A Competitive Edge**

Colorado State University-Global Campus is uniquely focused on delivering 100% online degree programs to working professionals and nontraditional students. All bachelor’s and master’s degrees are customizable with career-relevant specializations.

CSU-Global has streamlined the admissions process and courses start every four weeks, so students can earn a degree on their schedule without putting other life commitments on hold.

Students also have access to interactive and attentive faculty members who are experts in their fields and CSU-Global’s small class sizes ensure that faculty members have the time to focus on student success. As the newest university in the Colorado State University System, students earn a degree employers recognize — giving them the competitive edge they need in today’s global workforce.

**Tuition Guarantee**

Our promise to students is that we will not increase their tuition rate as long as they remain enrolled in their degree programs. They can be confident that their degree will remain affordable from their first course through graduation.

**Start Dates**

CSU-Global’s accelerated 8-week courses start every month, year round.
“I am a husband and a father of soon-to-be two, CSU-Global will allow me to show my children that even if you have many responsibilities, a higher education can be achieved as long as you’re willing to put in the effort and have a great university like CSU-Global.”

Marc Anthony Blattner, M.S. in Management student, Lima, Peru

**Created for the Demands of Adult Learners**

Colorado State University-Global Campus was created with adult learners in mind; the university understands that earning a degree can be difficult as students balance their careers, families, community responsibilities, and lives. CSU-Global Campus provides adult professionals with a simplified and fast enrollment process, easy transfer of past college credits, affordable tuition rates with the promise of no tuition hikes, no student fees, coursework that emphasizes real-world concepts and career-relevant skills, attentive faculty who are industry leaders, and customizable degree programs. The university also offers every course every term, in its year round 12-term schedule, to provided adult learners with flexible options to ensure their success.

**A Unique Public University for your 100% Online Degree**

CSU-Global Campus offers students something they can’t get from other online universities, a degree from the world class Colorado State University System. Students earn a degree that they can be proud of from a public university whose primary mission is to provide a high quality, online education for all. Unlike the private businesses that provide online degrees and focus on the bottom line, CSU-Global Campus commits to student learning by offering affordable tuition rates that are guaranteed to stay the same throughout each student’s degree program.

**Customer Focused**

At CSU-Global Campus, students have a team of advisors to help them achieve their ultimate goal of completing their degrees. CSU-Global Campus advisors work efficiently to keep students on track and making progress. With 24/7 live tutoring, technical support, and online library access, as well as flexible eight week courses, highly responsive staff and faculty, and a mission-driven focus, the university works to ensure each student’s academic and professional success.
CSU-Global Campus is a uniquely positioned university with a nontraditional adult student focus.

Background
- The first and only statutorily-defined 100% online, public university in the U.S. with independent, regional accreditation.
- The third and newest university in the Colorado State University System.
- Designed to provide the convenience and market approach found in private, for-profit universities with the accountability of a public university offering quality, high demand regionally-accredited degree programs at a low tuition cost.
- Year-round 8-week terms accelerate the time to degree completion for most students.
- A mission focused on helping the more than 900,000 Colorado adults and more than 57 million U.S. adult learners ages 25-64 years old complete their bachelor’s degrees; as well as providing additional opportunities for obtaining master’s degrees and gaining workplace-relevant skills (U.S. Census).
- Students include Coloradans and other Americans in all 50 states and the U.S. territories as well as active military, veterans, and their dependants.
- Approved as a member of the U.S. military Servicemembers Opportunity College (SOC) Consortium.
- Articulation affiliate for Community College of the Air Force.
- Adult-student focused; learning outcomes focus on theory, knowledge, and skills to secure employment and improve job performance.
- Fixed, low tuition rate throughout a student’s degree program with no student fees.
- The university does not receive state appropriations and operates exclusively through its own cash flow.
- Independently reviewed and ranked by GetEducated.com as a 2014 “Best Buy” for students seeking a high quality, low cost degree.

Student Success & Advancement
As a public, non-profit university, CSU-Global measures its success based on student learning achievement, retention, and student-alumni employment data.

- Nearly 13,000 active students as of Spring 2015 with new students added each month.
- 39% of overall students are first generation college students and 27% are from underserved populations (Spring 2015).
- 90% of CSU-Global graduates are Very Satisfied or Satisfied with their CSU-Global education (see page 14).
- 89% of CSU-Global’s students are over 25 years old (Spring 2015).
